NEWS FROM THE PRINCIPAL

Happy New Year! First off, I want to thank you for your hard work during our closure. Please know that we recognize the sacrifice that it takes to do virtual learning at home. We are thankful that we are back in the building again. Here are just a few things that you need to know.

- Supplies do need to be returned to school. This includes backpacks, devices, chargers, headphones/earbuds, whiteboards, rulers, scissors, and workbooks. Students will be using these at school too. Consumable supplies like crayons and pencils can also be returned.
- Religious Education will resume February 3rd.
- 21st Century program will resume on January 26th.
- If your child is not feeling well, please keep them home.
- We will continue to send weekend meals on Fridays.
- There is a chance of short term closures in the coming weeks. In the event that we close temporarily, there will be call blasts and Facebook posts.

Thank you for your continued support. We appreciate your help! Please contact me by phone or email if you have questions or concerns.
