

Sheffield Area Elementary School

June 11, 2021

NEWS FROM THE PRINCIPAL

We made it! You should be so proud of your kids for their great effort this school year. It definitely will be a year that they tell their children and grandchildren about. Amy Stewart shared that Warren County was part of the 27% of schools in Pennsylvania that started and ended brick and mortar. Good job to us!

Many of you have heard, but I did want to personally let you know that I will not be returning for the 2021-2022 school year. My mother-in-law, who lives in Kansas, is not well and needs help from my family since we are her only family. My family will be moving at the end of June. It saddens my heart to share this news. The Sheffield Area is very special to me. Although a very challenging year, being in my hometown and being reminded how big your hearts are has been inspiring to me. I am very thankful for the opportunity to have been the principal to your children. The Sheffield kids are like none other. They are great kids! You can rest assured, although you probably already know this, that the teachers and staff here are dedicated to your child's education.

Thank you for your ongoing support. We appreciate you! Please contact me by phone or email if you have questions or concerns prior to the last week of June.

Mrs. Jessica Fortner, Principal
