## FACE COVERING ACCOMMODATION REQUEST DUE TO DISABILITY/MEDICAL CONDITION

The Warren County School District (the "School District") has adopted a Health and Safety Plan for the 2021-2022 academic year which may require individuals, including students in school, to wear face coverings in an effort to curb the spread of COVID-19. In addition, effective February 1, 2021, the Centers for Disease Control ("CDC") and the Department of Health and Human Services issued an Order requiring that all individuals wear face masks over their nose and mouth when traveling on public transportation, including school transportation, in the United States of America (the "CDC Order"). Finally, on August 30, 2021, the Pennsylvania Secretary of Health issued an "Order of the Acting Secretary of the Pennsylvania Department of Health Directing Face Coverings in School Entities," which requires every teacher, child/student, staff or visitor working, attending or visiting a school entity to wear a face covering indoors, regardless of vaccination status (the "Pa Order").

The School District's Health and Safety Plan, the CDC Order and the Pa Order provide that certain students may receive an accommodation with wearing a face covering if they have a medical condition, or mental health condition or disability, including individuals who are unable to remove a mask without assistance, as defined by the American with Disabilities Act, 42 U.S.C. §12101 et seq, said condition or disability being documented in accordance with Section 504 of the Rehabilitation Act and/or the Individuals with Disabilities Education Act ("IDEA"). The School District will make accommodations for those students in accordance with the student's health care provider, school nurse, and IEP/504 team.

Please note, per the Pa Order, all alternatives to a face covering, including the use of a face shield.

I am requesting that my child, \_\_\_\_\_, receive an **ACCOMMODATION** from the School District's Health and Safety Plan, the Pa Order and/or CDC's Order regarding mask-wearing requirements because s/he has a medical, mental health condition, or disability precluding his/her ability to wear a mask/face covering.

Please check one of the additional options below:

- I am requesting my child's IEP or 504 team meet to discuss further accommodations or revisions my child may need related to mask-wearing and/or other COVID-19 related matters. I understand that the School District may request that the team convene for this purpose.
- I am comfortable inserting the necessary revisions to my child's IEP or 504 Plan without convening my child's IEP team or 504 team. I understand the School District will issue a revision of the IEP or 504 Plan, with a NOREP or Section 504 prior written notice via mail or email to me.
