Course Title: United States History II

Course Number: 00126

Course Prerequisites: US History I

Course Description: United States History II covers the period of American history from the era of industrialization starting in the late 1800s to the conclusion of WWII. Major themes of the course include the United States emerging as a world power and the American government adapting to meet the challenges of the 20th century. The course will include an overview of the social, economic, cultural, technological and historical developments. Upon completion of the course, students will be able to demonstrate knowledge and understanding of the people and the forces that have shaped the modern United States.

A final exam is required.
