The Ralph G. Eckert Scholarship

The Ralph G. Eckert Scholarship is awarded annually by the Warren County Conservation District to a deserving student planning to continue her/his education in a conservation related field or service.

This scholarship is named for Ralph Eckert, who served in the Soil Conservation Service in Warren County from 1950-1966. A Penn State graduate in Forestry, Mr. Eckert devoted his entire life to conservation issues. He was a frequent lecturer and instructor of youth on proper stewardship of our natural resources. He was also active in the Boy Scout movement, wrote columns for the local newspaper, and contributed articles to outdoor magazines. In addition, Mr. Eckert was instrumental in planning and developing the Outdoor Ecology Lab at Eisenhower High School. The Conservation District is proud to offer this scholarship in his name, to promote the love of the outdoors, and the conservation of natural resources through education.

ECKERT SCHOLARSHIP POLICY STATEMENT

The Ralph G. Eckert Scholarship is designed to aid a student in preparation for a career in a conservation related field of study. This would be a career choice that would directly serve the goal of conserving the natural resources for future generations.

Some fields and careers chosen by past applicants and recipients include: Forestry and Wildlife Management, Forestry, Environmental Planning and Management, Agronomy, Forest Science, and Earth Science, to illustrate some examples.

The following is a list of criteria that is used in determining the award recipient:

- (1) A complete Application. Don't forget a requested step or action.
- (2) Quality Grades. Better grades and SAT scores will advance your chances of being chosen. While grades are not the sole criteria for this award, they are strong consideration.
- (3) A strong personal letter. This item could strengthen and help offset a weaker grade showing.
- (4) Recommendations. Excellent recommendations especially in the case of only average or slightly above average grades would weigh more heavily.
- (5) Experience. Experience especially in the case of only average or slightly above average grades would weigh more heavily.
- (6) Finally, NEED. In cases where applicant's grades are at least average or above average, with all other criteria being equal, our final decision in these cases will be based on need.

The Ralph G. Eckert Scholarship is designed to provide for the immediate needs of Warren County students pursuing careers in conservation related fields, at the same time providing for the future needs of all of us by conserving our natural resources through education and service. Application deadline is **March 1, 2022 by 4:00PM.**

Policy adopted on December 12, 1989
Policy revised on October 28, 1999
