## **WCSD Health and Safety Plan:**

As a result of the ongoing pandemic, WCSD must create a Health and Safety Plan that addresses how it will maintain the health and safety of students, educators, and other staff, and which will serve as local guidelines for all instructional and non-instructional school activities during the period of the LEA's APR ESSER grant. This safety plan will provide many questions related to health and safety items for example masking, social distancing, and cleaning. This can be found on the district website.

## **Breakfast and Lunch:**

Menus are available on the school's website. Parents can add money to their child's account and complete the Free and Reduced Meal Application to their student's account using the website [www.schoolcafe.com](http://www.schoolcafe.com). – **All school breakfast and lunches will continue to be available to every student free of charge for the 2021 – 2022 school year.**

## **Parent Communication:**

**Home Access Center:** All parents/guardians will be able to access the Home Access Center to assess and examine your child's attendance, daily grades, homework assignments, and other important school information. **Call Blasts:** Call Blasts will be used to inform you if your child is absent from school, missing excuses from previous absences, or other important information we need to share.

**Facebook/School Web Page:** Eisenhower Middle/High School has a Facebook page. We will share upcoming informational items, student achievements, and other items as needed.
