Work Release Form

Student Name: _____

Date of Birth: _____ Age: _____ Grade: _____

Students may only leave school early prior to the age of 18 if they are:

- 1.) employed and working during the school day AND
- 2.) in good standing academically and on track to graduate.

If the student receives Social Security benefits, part-time status will likely affect eligibility for those benefits. Please consult with the SSI office BEFORE submitting this application. The students will no longer be in "full time attendance" if part-time status is on their schedule.

For students playing any school sports—PIAA requires that students be enrolled in four credit bearing classes at one time in order to be eligible to play sports.

The academic well-being of the student is the top priority in a work release situation. If students fail to keep all grades to passing while participating in work release a meeting will be held to discuss continued status in work release.
