COURSE DESCRIPTION

Course Title: Protective Services (Homeland Security & Protective Services)

Course Number: 00915 AM and 00965 PM

Course Prerequisites: A student should have earned at least six (6) credits to be enrolled in Protective Services.

Course Description:

CIP Number: 43.9999: Protective Services (Homeland Security & Protective Services) is an instructional program that prepares individuals to apply technical knowledge and skills required to perform entry-level duties in law enforcement, firefighting, EMT and other safety services. This program stresses the techniques, methods and procedures peculiar to the areas of criminal justice and fire protection especially in emergency and disaster situations. Physical development and self-confidence skills are emphasized due to the nature of the specific occupation(s). In addition to the application of mathematics, communication, science and physics, students receive training in social and psychological skills, map reading, vehicle and equipment operations, the judicial system, pre-hospital emergency medical care and appropriate emergency assessment, treatment and communication. Mastery of this course will lead to AED, Telecommunications, First Aid, and CPR certification(s).
