PLANNED INSTRUCTION

COURSE DESCRIPTION

Course Title: Computer 3
Course Number: 08393
Course Prerequisites: none

Course Description: The third-grade computer technology curriculum builds upon basic keyboarding skills and develops skills needed for word processing. These essential technology skills will build students' confidence and pride in their technological abilities. Students will demonstrate an understanding of basic keyboarding skills, specifically home keys, basic knowledge of computer hardware and software, and the development of digital citizenship skills. Students will begin building a foundation of computer science skills.
